- m) Foreign language Diploma duplicate – 9 EUR – payable before issuing the duplicate
- n) Fee for extending the course of studies – 270 EUR – payable at least one month before the planned diploma examination date. The above-mentioned amount is payable by students who will submit the thesis by the date determined by the Vice-Rector on the basis of § 29 p. 7 of the *Regulations Governing Studies at Warsaw School of Computer Science*

4. Tuition Fees Discounts

- a) Candidates for Master degree courses in the English language who are Bachelor graduates of Warsaw School of Computer Science shall all be exempted from paying the admission fee.

5. Refunds

- a) WSCS shall refund the tuition fee paid by the student, reduced by the bank's commission if the candidate is denied the visa. However, the Admission Fee of 100 Euro shall not be refunded.
If the candidate is denied the visa during the study, the refund will be reduced proportionally to the number of bygone study meetings, regardless of the student's engagement in classes.
- b) In case of submitting Student's written resignation during a semester or being struck off the students' register during the semester, the School is authorized to charge an additional contractual fee that equals to 10% (less of 30% commission if the student was recruited through our authorized agent) of the tuition fees left to the end of the semester
